WASHINGTON, D. C.

Mr. J. Edgar Hoover
Director
Federal Bureau of Investigation
Washington 25, D. C.

Dear Mr. Hoover:

In connection with the foreign intelligence activities of the Central Intelligence Group, it would be very helpful to know the attitudes and reactions of foreign groups in this country as they may reflect the national attitudes and reactions of their own countries towards the United States.

I would appreciate knowing whether the Federal Bureau of Investigation collects and maintains such data, or could do so, and whether arrangements could be made to furnish the Central Intelligence Group with this type of information.

Any help you can give me in this matter will be greatly appreciated.

Sincerely,

(not sent)

Office Memorandum • UNITED STATES GOVERNMENT

TO : Executive to the Director

FROM : Acting Chief, Interdepartmental Coordinating
and Planning Staff

SUBJECT: Foreign Nationalities Branch

DATE: 2 October 1946

Reference: ICAPS Memorandum of 13 September 1946.

In view of the apparently amicable settlement between FBI and CIG on the subject of the contact register, it is possible that the time has come when CIG could approach FBI on the subject of the reference memorandum.

Do you concur?
